# HAWAII'S DATA STORAGE EXPERTS

business partner

Focused on helping customers reduce storage costs, manage information growth and improve data protection, **CORESystems Hawaii is Hawaii's only HP Enterprise Elite Storage Solution Partner.**

# Hawaii's Data Storage Experts

CORESystems Hawaii Training Center

## EXPERIENCE

Since 1989, Square USA, Cheap Tickets, Hawaii Pacific Health, Punahou Schools, Hawaii Dept. of Education, Chaminade Univ., DRTIC Insurance, and many other leading Hawaii organizations have turned to CORESystems Hawaii to solve their data storage and protection problems.

## EXPERTISE

CORESystems Hawaii is the only HP Enterprise Storage Solution Partner in Hawaii. Scott Reynolds, CORESystems CTO, has achieved **HP Master Accredited Systems Engineer** status, the highest technical certification attainable from HP, the world leader in data storage. Other certifications include HP/UX, Red Hat Linux, Microsoft Windows, and Brocade Fabric Professional.

## PROFESSIONAL SERVICES

CORESystems Hawaii's engineers can design, install, implement, and support your HP data storage infrastructure. Other services include storage assessments, on-site project management, data migrations, and extensive documentation. **Lab-based hands-on storage training** classes in our downtown Honolulu SAN lab insure your IT staff gets the training they will need to get the most out of your investment in enterprise storage.

## INFRASTRUCTURE SOLUTIONS

CORESystems also provides HP/UX, Linux and Windows server solutions, wireless and wired networking solutions, enterprise security solutions, rack and UPS infrastructure and cabling services.

"We've chosen CORESystems Hawaii as our primary partner in our efforts to become a leader in the use of information technology in education."

- **David M. Parrish**  
Chief Architect Punahou School

"CORESystems Hawaii is a critical partner in the deployment of primary storage and server infrastructure in support of our system-wide roll-out of our new electronic medical records system supporting 4 hospitals and twenty clinics."

- **Steve Robertson**  
VP Information Technology Hawaii Pacific Health

"As one of only 42 HP Elite Storage Solution Partners in the U.S., CORESystems Hawaii is uniquely qualified to provide the highest levels of storage expertise to Hawaii and the Pacific Rim."

- **Paul Jacobson**  
HP Channel Storage Specialist
